Tutoring Experience

Over the past 8 years, I have worked with students at various levels, helping them navigate the challenges of IB and IGCSE English. My focus has always been on enhancing their confidence in literary analysis and preparing them for rigorous exams. Many of my students have gone on to achieve excellent grades and pursue higher education in English Literature.

In addition to tutoring IB students, I've also supported learners preparing for A-Level and AP English exams, offering guidance on coursework and exam strategies. My experience has equipped me with the skills to adapt to each student's unique needs, helping them succeed in their academic journey.
