Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

With a decade of experience, I have successfully supported students in navigating the complexities of IB TOK and Economics, providing guidance in both subject matter and internal assessments. My students have consistently improved their understanding and performance, achieving top results in exams.

In addition to IB, I have worked with students preparing for A-Level and IGCSE Economics, offering targeted advice to strengthen their academic performance. Whether working on essays, exam preparation, or developing critical thinking skills, I aim to foster a deep understanding of the material, helping students excel in their studies.
